

VISION STATEMENT

Route 66 Bridge Club

- Establish a place for lovers of duplicate bridge to play in Tulsa today and in the future
- Create a warm and welcoming environment from a social interaction standpoint:
 - Focus on courtesy, politeness, and etiquette
 - Become a community which offers camaraderie to our members
- Create a warm and welcoming environment from a physical standpoint:
 - Feature an updated playing space with comfortable chairs and side tables
 - Offer a playing facility which is both clean and well maintained
 - Free coffee and expanded hospitality
- Support bridge players at all experience levels--from newcomers to advanced players recognizing that their desires, needs, and goals from the game are different. Offer a spectrum of lessons and games.
- Offer an expanded educational program so that our members can learn and grow:
 - Those who have never played bridge/those who used to or still play cards socially
 - Newcomer and intermediate players looking to improve their skills
- Encourage participation in and support of the ACBL
- Transparency:
 - Updated balance sheet and income statements to be posted quarterly
 - Monthly board meetings open to all members with minutes from meetings posted for everyone to read
- Communication:
 - Professional website (including interface for scoring corrections)
 - Monthly electronic update including calendar (games and lessons), special events, and features of interest
 - Bulletin boards inside the Club
- Professional management
